The screenshot shows the iCampuz interface for adding a question. On the left is a tree view of the institution's structure, including AI Shifa College Of Nursing and various BSc and MSc nursing programs. The main area displays details for an existing exam: 'test exam' (Objective type, 5 minutes, weight 1, added 26/05/2020). A table lists the current questions. A green question icon is visible in the table. On the right, a form for adding a new question is shown, with fields for the question text, three options, and a right answer. A green 'Successfully Added' message is displayed below the form. At the bottom right, a 'Ready for Exam?' confirmation box is present.

Click on 'image' icon to add image questions. Image question means an image contains question and options.

The 'Add Image Questions' form is shown. It includes a summary box with the following details: Exam Title: test exam, Exam Type: Objective, Added Date: 26/05/2020, Last Updated: 08/06/2020. Below this, there is a section for the question image with a 'Choose File' button and the text 'No file chosen (Max Size: 1MB, Allowed File Type : jpg)'. The 'Right Answer' section has three radio buttons for Option 1, Option 2, and Option 3, with Option 1 selected. An 'Add Question' button is at the bottom.

Click the 'copy' icon (third one) to copy the exam with questions to other batches.
