Write-up about the Event (Max. 150 Words):

The Department of Biotechnology, Nehru Arts and Science College has organized One day webinar on "CSIR-UGC NET Life Science Preparation" on 01/11/2020. The program was inaugurated with the welcome address by Dr. R. Vijayaraghavan, Head of the Department, Department of Biotechnology, and NASC. The presidential address of the program was delivered by Dr. B. Anirudhan, Principal, Nehru Arts and Science College. Technical Session was initiated with the talk by Ms. Rahna A., Ph.D. Research Scholar, Indian Institute of Science, and Bangalore. Following the technical session and presentation by the resource person, the session was concluded with a vote of thanks rendered by Shri. V. Shanmugam, Organizing Secretary of the program.

The outcome of the Event:

1. time management, 2. Updated with current affairs, 3. New developments and findings in the domain, 4. Selective segregation based on the weightage in the marks from the syllabus, 5. solving of past years of question papers, 6. the decision on when to take the mock tests and 7. the revision of the same. The program paves the way for the students to know about the initial ideas on planning and strategies to perform as well as the key factors to keep in mind once the preparation phase has completed and the terms on how to perform the exam which is the foremost attention and information to be brought to the aspirants to lead them and the selves to a successful future.

Write-up about the Event (Max. 150 Words):

The Department of Biotechnology, Nehru Arts and Science College has organized One day webinar on “**Research Opportunities in Life Sciences**” on 23/10/2020. The program was inaugurated with the welcome address by Dr. R. Vijayaraghavan, Head of the Department, Department of Biotechnology, and NASC. The presidential address of the program was delivered by Dr. B. Anirudhan, Principal, Nehru Arts and Science College. Technical Session was initiated with the talk by Dr. T. Rajesh, Scientist, CSIR-National Environmental Engineering Research Institute, Chennai. Following the technical session and presentation by the resource person, the session was concluded with a vote of thanks. The expounded information will serve as a one-stop resource, intended to help in making the best choice for a career path, assessing the self, matching aptitude and skills with the requirements and filling the gaps, by acquiring appropriate training. The session was so informative and interactive as the students expressed their involvement throughout the program and gave good feedbacks.

The outcome of the Event:

India has a large network of higher learning institutions for life sciences with advanced standard as it renowned worldwide for its potential of the young brains. Comparatively, there are immense opportunities available and its far progressing letting those who wish to pursue a career in education and research. There are **47 central universities, 370 state universities, 123 deemed**

universities, 282 private universities, 23 IITs, 31 NITs, 23 IIITs, 7 IISERs, AIIMS, and around 35000 affiliated colleges which offer academic courses, and conduct doctoral and postdoctoral research offering the great platform for learning in life sciences. Even, the government extending the offers using various number of fellowship grants like **DST-INSPIRE, DBT-JRF, CSIR/UGC NET, ICMR-JRF, ICAR-JRF and more**, to encourage students to pursue research, but not limited to. Apart from the opportunities and information, the speaker also mentioned about the self-assessment in such activities and further proceedings in life sciences mentioning to develop the network with relevant fraternity or people and acquire skills by doing summer/winter training, internships, voluntary work, online courses etc. to add value to one's CV/resume. Followingly, one should narrow down the options, have to prepare your resume, conduct informational interviews, and prepare presentations, to enhance the employability to the opted opportunity. In addition, the program enhanced the knowledge on the importance of internships, grant opportunities, research programs and personal development on to the preparations towards the same showing the weightage in different branches under life sciences including

Biomolecules, Oncology, Biodiversity, Microbiology, Bioprospecting, Nano molecules, Genomes, Genetics and variations, and ecosystem.

Write-up about the Event (Max. 150 Words):

The Department of Biotechnology, Nehru Arts and Science College has organized one day webinar on "A Guided Tour on Competitive Examinations in Life Sciences" on 10/10/2020. The inauguration of the session started with a welcome address by Dr. R. Vijayaraghavan, Dean-Biosciences NASC. The presidential address of the program was delivered by Dr. B. Anirudhan, Principal, Nehru Arts and Science College. Technical Session was initiated with the talk by Ms. Ashisha K., Research Scholar, School of Natural Sciences, National Institute of Advanced Studies, Indian Institute of Science campus, Bengaluru.

The module of the program was designed in detail about the experience of the resource person in the competitive exams interlinking the presentation features on 1. Designing the career and role, 2. Available opportunities in the field of life sciences, 3. List of competitive exams, 4. Selection and preference criteria 5. Programs for graduate, postgraduate, and research students at the national level and International level. The participants actively interacted with the resource person which was the prior thing represented by the resource person as a key outcome of the program and gave good feedback. Finally, the session was concluded with a vote of thanks.

The outcome of the Event:

Considering the current scenario of education there are lakhs of young generation completing their academic qualifications for levels from higher studies, research to the job placements. The rate of competence is going on increasing by each year to the ratio of the outcoming graduates in each field especially the number of graduates is potentially equal to the engineering division. Moulding the young generation and guiding them to face this situation is the primary target of today's program and it has been successfully achieved with the shared knowledge by the resource person. The concepts of the competitive exams in life science are quite tedious and highly skilful. Before beginning with the exams, it is the foremost importance is having guidance and information understanding features, fundamental aspects to tackle these

exams per se 1. Defining the field of interest and deciding the place, institutions preferable to the opted field, 2. Practices to be performed on a daily or periodical basis to equip ourselves to complete or to clear these exams as planned 3. Selection of the right institution and place which is prominent to the field of interest opted 4. Utilization of such opportunities available at the national level and international forum related to the life science field in common 5. And the most crucial points to be focused to succeed in the competition and placing the target without deteriorating the time and effort put forth.

REPORT

Name of the school : Computational Sciences
Name of the Department : Mathematics
Name of the Activity : Webinar
Title of the programme : Career Guidance
Place / Venue : online/Google Meet
Date : 16.03.2021
Name of the resource with
Designation and address : Ms.R.Namitha
Teacher
Max muller public school
Karnataka
Mail ID of the Resource Person : chinnunami98@gmail.com
Number of Beneficiaries : 57
Write-up about the Event (Max. 150 Words):

Department of Mathematics has organized a Career Guidance programme on 16.03.2021. Ms. T. Chandrapushpam, Head, Department of Mathematics welcomed the gathering. Ms. P. Sheeba maybell, Assistant Professor introduced the Resource Person. Ms. R. Namitha, Teacher, Max Muller public school Karnataka. During her lecture she shared the importance of Mathematics in real life as well as in attending interview. She delivered ideas to overcome stress, stage fear at the time of interview and develop the interview skills. The talk is very informative and stimulated the minds of participants.

Outcome of the Event:

The students interacted with the guest and cleared their doubts in attending the interview.

Write-up about the Event (Max. 150 Words): The Department of Visual Communication Inaugurated its photography club association “Chameleon” and organized a Webinar on “**Scope of Photography**” on 23.09.2020 for III UG, II UG, I UG and II PG students. Mr.Sridharraj.G, Head & Asst. Professor, Department of Visual Communication welcomed the resource person and the students. The Students of Visual Communication attended the session in the online platform. The resource person explained about various techniques he uses for outdoor photography .He also explained about various job opportunities other than freelancing. Students also cleared many doubts regarding various lighting techniques and equipments used in outdoor photography. The resource person also insisted the students to take up more challenges as a photographer to capture creative and ground breaking pictures that may change their life or it can act as a breakthrough in their career. Ms. Rubika. R, Asst. Professor, Department of Visual Communication proposed vote of thanks and concluded the event.

Outcome of the Event: The students were able to understand more deep knowledge in outdoor photography and also special shoots done for magazine cover pages.

Write-up about the Event (Max. 150 Words):

The Department of IT & CT organized a Webinar on "Career Towards Data Science" on 07.11.20 through Google Meet for IT & CT students. Dr. Gomathi. S, Teaching Consultant, UK International Qualification Ltd., Coimbatore was the resource person. The objective of the programme was to make the students to understand about the Data Science and its job opportunities. The resource person narrated about Data Science as an interdisciplinary field with real time examples say Amazon and Hotstar. She explained about the Data Science Careers like Demand and requirement, Work and Role option, Career Growth, Lack of Competition, and Variety of training, Skill Upgrading options and Cross Domain. She explained about Database knowledge, Statistics, Programming Tools, Data Wrangling, Machine Learning, Data Visualization and BigData. She narrated about the Programming Tools like R Programming, Python and SAS. She explained about how to get a Data Science job by providing tips like building Project Portfolio, Interview Questions and Tutorials, Participating in Datathons, Building a resume, and Availing internship opportunities. She explained about the role played by the Data Scientists, Statistician, Business Analyst and the skill set needed for landing in a right position. Overall the session was informative.

Outcome of the Event:

The session was informative and it helps to empower the students with skills and knowledge in the area of Data Science. It helps to mould the student's career in Data

Write-up about the Event (Max. 150 Words):	

Invited talk was given to the students of Visual Communication by Mrs. Hima (Event Manager, Dream ads and Events, Coimbatore) on 05.20.2020 at Viscom theatre. Mr. G. Sridharraj (Asst. Professor & Head, Dept of Visual Communication) welcomed the resource person and the gathering. Resource person explained about the importance and prominence of events and events planning. Then she showed a presentation to students and briefly illustrated about the career opportunities in events industry. She also said that the students should develop contacts and work along with the events industry. After the session Mr. Sridharraj. G (HOD, Viscom) proposed vote of thanks.

Outcome of the Event:

The students got an idea on career opportunities in events industry and 3 students of I B.Sc Visual Communication were selected for internship in their company for 1 month.
