Report for DBT Star Scheme – Extensional activity

Mr. V. Shanmugam, Associate Professor, Department of Biotechnology along with Biotechnology students [Ms. Aparna K.V.M, Ms. Remya. R, (II PG), Ms. Preethi. R, Ms. Thahira Thasneem, Ms. Pradeepa. (III UG)] actively participated in inciting basic science attitude in Bioscience students at Government Higher Secondary, Kullathupalayam, Coimbatore on 09.7.2019.

During the programme we offered Hands on Training, Career guidance, and Minor Investigation Projects to the school students. The students learned certain techniques like volumetric titration, Handling of Microscopes, various staining techniques and observation of microorganisms etc. We collected feedback from participants. Students, Teachers and Head Master appreciated our service and expecting these types of scientific activities in forthcoming year for a day. Head Master insisted us to organize a science exhibition in their campus, which will be officially inaugurated by Chief Educational Officer, Coimbatore during next month.

DEPARTMENT OF BIOTECHNOLOGY Report on Science Expo

Department of Biotechnology is organised One day Science Expo for UG Final year students on 21st Aug 2019 at the PG LAB of the Department Under star college scheme. It involves students to participate in activities so as to understand the cognitive, affective and psychomotor aspects of the task. Dr. R. Vijayaraghavan, Head of the Department welcomed the gathering. Dr. B. Anirudhan, Principal inaugurated the expo by cutting the ribbon. He emphasised about importance and existence of science in our day today life. Herein students showcased static and working models which can be used for learning various scientific concepts for children of the different age group. Students had made still models, working models, charts and posters to present their topics. The judges appreciated the students. They asked students about the scientific concepts forming the foundation of the models. At the end students developed a scientific fervour and an attitude of research mindedness so that they develop the qualities of analytical and critical thinking.

Report for DBT Star Scheme – Exhibition

Mr. V. Shanmugam, Associate Professor, Department of Biotechnology along with fifteen students of II UG Biotechnology and twenty students of III UG Biotechnology exhibited their scientific exhibits in Government higher secondary school, Kullathupalyam on 29.08.2019. 10 th, 11 th and 12 th standard science students interacted with the exhibitors and updated their scientific knowledge. Finally we offered our exhibits to Head Master of Government Higher Secondary School for further utilization. Biological science group students actively witnessed the exhibits. Our students were also happy in exhibiting their exhibits. During exhibition we demonstrated working model of circulatory system, Function of ear, eye, nerves, and involuntary motion of system, Laughing gas production and gaseous fountain in their lab. Science teacher and Head Master appreciated us and expected these types of exhibition in forthcoming year for a day with a guest lecture.

National Nai Talim week

Report on visit to farm and participation in agricultural activities

In context of Mahatma Gandhi 150th birth anniversary, MHRD in association with Mahatma Gandhi National Council of Rural education (MGNCRE), is promoting Gandhiji's 'Nai Talim experiential education with dignity of labour by celebrating National Tai Talim week'. In this regard, staff members from Department of Biotechnology along with II PG and UG Biotechnology students visited bitter gourd and banana farm near T.M. palayam village on 03.10.2019. The farmers in the farm explained about the cultivation, maintenance and water requirement for the farming practice. The students involved in few agricultural operations and interact with the farmers and clarified their doubts regarding the agricultural practice, economic importance of agriculture and also constraints faced by the farmers during the farming period. The students have expressed their interest in involving agriculture in near future.

Write-up about the Event:

Development of Biochemistry, Nehru Arts and Science College, Coimbatore organized an Extension Activity–Awareness Campaign on “**Viral Diseases and Diabetics prevention**” to the children of Panchayat Union Schools located at Pachapalayam and Nachipalayam Villages on 25th and 26th July 2019. Dr.B.Anirudhan, Principal inaugurated the program. Our UG students (2nd and 3rd years) organised the program under the supervision of Dr.S.Subakanmani, Assistant professor Dept of Biochemistry on both the days. Sujitha G (Assistant Professor), B.Rajalakshmi (Lab Technician) actively participated in the event.

Outcome of the Event:

Awareness was created about Dengue and other water borne diseases. Prevention of Diabetes and measuring methods for sugar was explained to the School children and the Teachers well. Head Masters of both the Schools appreciated the efforts taken by the students and Faculties of the department.
