Write-up about the Event:

Department of Biochemistry, School of Life Sciences, Nehru Arts and Science College in association with Centre for Rural Development (CRD) organized an Extension Activity–Awareness Campaign on “**Food Adulteration**” at our adopted Village Thirumalayampalayam on 29/04/2022. Dr.B.Anirudhan, Principal inaugurated the program. Staff members and our UG students (1st, 2nd and 3rd years) organised the program under the supervision of our staff members. Dr.S.Subakanmani, Dr.V.Suganthi (Assistant professors), Ms.Sujitha G (Assistant Professor) and B.Rajalakshmi (Lab Technician), Dept. of Biochemistry actively participated in this activity. Faculty members and students clearly explained about mixing, substituting, concealing the quality of food by mislabelling, putting up decomposed or expired food and adding toxic substances. Identification of commonly-adulterated food items and determine food adulteration related knowledge. In addition to common food items such as milk, tea/coffee, vegetables, sweets, wheat and other food grains, honey, Dal, spices, Butter and ice cream items, how they were adulterated was clearly explained to the people. Information leaflets were distributed and explained the significance of the Prevention of Food Adulteration Act.

Outcome of the Event:

Knowledge and Awareness was created about adulterated foods, Laws and its rights related to adulterated food was crucial in a society where technology heightens opportunities for perpetrators of fraud deception and misrepresentation. Several people from the Village were benefitted by the awareness campaign.

Write-up about the Event:

Department of Biochemistry, School of Life Sciences, Nehru Arts and Science College organized an Extension Activity—"Jal Shakthi Abhiyan (Water conservation)" Awareness campaign at our adopted Village Thirumalayampalayam on 29/04/2022. Dr.B.Anirudhan, Principal inaugurated the program. Staff members and our students (1st, 2nd and 3rd years) organised the program under the supervision of faculties. Dr.S.Subakanmani, Dr.V.Suganthi (Assistant professors), Ms.Sujitha G (Assistant Professor) and B. Rajalakshmi (Lab Technician), Dept. of Biochemistry actively participated in this activity. The purpose behind the extension activity was to raise awareness regarding water conservation. Ministry of Jal Shakthi takes up a Nation-wide campaign on "Jal Shakthi Abhiyan – Catch the Rain" (JSA:CTR) focusing on saving and conserving rain water with the theme "Catch the rain, where it falls, when it falls" from 29th March 2022 to 30th November 2022 in the pre-monsoon and monsoon periods of 2022, covering both urban and rural areas of all districts in our country. In this series, we also conducted water conservation awareness campaign by the doing pamphlets distribution.

Outcome of the Event:

Knowledge and Awareness on importance and methods of rain water conservation and storage was created during the awareness campaign. The Village people, students and staff members were benefitted by the awareness campaign.

Write-up about the Event (Max. 150)

School of Commerce and Social Sciences, Department of Social Work jointly with Centre for Rural Development, Nehru Arts and Science College in association with **The Eye foundation Coimbatore** has organized **Free Medical Eye Camp at Kumittipathi village on 06/03/2022 at 10.00 am**. The camp was organized at Government LP School, Kumittipathi. The camp was really helpful for the general public which helped them to freely visit and check their vision problems. The elderly people who were identified with problems in eye were taken for free cataract surgery and the treatment altogether will be given in free of cost. Nearly 57 villagers got benefitted from the camp.

Outcome of the Event: The camp most importantly helped the elderly people who had vision problems to identify the exact reason and to get the further treatment at The Eye Foundation Hospital, Coimbatore.
