### Event Description

The I B. Sc. CDF Students of the Department of Costume Design and Fashion were grouped and presented topics on Garment Production Machineries, Different types of Advance methods and Textile Finishing methods were discussed on 26.05.2022. The students felt that the group learning methodology provided students develop responsibilities and share experience, knowledge and refine understanding through discussion and explanations.

### Outcome of the Event

The focus of learning in learning groups extends beyond the learning of individuals to create a collective body of knowledge. Members of learning groups are engaged in the emotional and aesthetic as well as the intellectual dimensions of learning.
