Faculty and Students Exchange Programme

Canny Consortium of Colleges imitated **Faculty and Student Exchange Programme** under with following by-laws.

Aim:

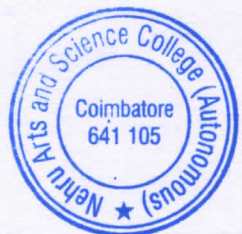

This program aim to enhance communications between staff and students.

Through this program, Staff and Students could:

- Have a better understanding of the programs, operations and management of other Institute;
- Better implement joint programs or projects with other Institute;

Objective:

- Outline the Institutions' activities, promote international education, and interdisciplinary collaborative activities for specific subject areas.
- Formulate and design different aspects of the Study-Abroad and Study-in-India programs for students.
- Formulate and design different aspects of faculty exchange in terms of handling courses and enhance research collaboration in the field of mutual interest.

CANNY Corpus Fund

CANNY Consortium of Colleges Initiated the **CANNY Corpus Fund** for Promote the Research in all Partner Institutes.

The proposal aims to create a **member-led & member-resourced** mechanism for CANNY Consortium of Colleges that provides flexible funds. This fund is mobilized in solidarity with deserving causes in restricted spaces that don't receive adequate support from traditional funding and other support mechanisms, and will be complemented by other forms of solidarity from the alliance.

Principle

The CANNY Corpus Fund (CCF) is a service unit under the CANNY Consortium of Colleges. CCP promotes and nurtures a culture of genuine intellectual inquiry, advances interdisciplinary and multi-disciplinary studies, and serves as a clearing house for information related to faculty research activities on campus.

Our Vision

The CANNY Corpus Fund (CCF) will create an outstanding climate of support for CANNY Consortium of Colleges researchers, broadly enabling stellar research advances.

Our Mission

To enable the achievement of excellence by the research community,

- Partners with the research community to create a culture of high achievement
- Promotes shared responsibility, the ethical conduct of research, and compliance
- Enhances researchers' abilities to obtain and manage grants
- Strategically invests in promising research and researchers
- Creates integrated services, transparent research administration, infrastructure, and streamlined processes
- Develops strong relationships with Members of CANNY Consortium of Colleges
- Enhances the ability to perform research in a global community
- Supports strong infrastructure for interdisciplinary research

CANNY Corpus Fund Values and Guiding Principles Respect

We are committed to treating each other, our process partners and others we work with, as valued colleagues, guided by open communication, collaboration, partnership, integrity and respect in order to achieve our common goals.

We believe that our employees are our most valuable asset and we strive to recognize the dedication, expertise, hard work and creativity among members of our CANNY Consortium of Colleges of Research community.

We are committed to providing a culture of continuous learning for all staff under CANNY Consortium of Colleges at large to foster a high level of expertise and provide the tools necessary for high performance.

We support a work / life balance for all the employees in our CANNY Consortium of Colleges.

Creativity

We encourage innovation, reflective thinking, flexibility and adaptability in our approaches to our work, in alignment with our mission to create client-centered services.

Integrity

We make our decisions with openness and honesty, and to enhance the value of the CANNY Consortium of Colleges-wide.

We promote responsible research practices in alignment with ethical principles and compliance regulations.

Diversity

We value and welcome a diversity of staff, as an organization that is enriched by a multitude of perspectives and experiences.

Quality

We are committed to developing a range of resources and strategies designed to provide the highest level of quality services possible to the research community that positions the CCF research program for a successful future.

Support

We see our role in the future of the CCF as making it easier for researchers to carry out their research by being responsive, proactive and innovative

We are committed to supporting the research effort at the CCF, balancing service and compliance in a mutually beneficial approach.
