Write-up about the Event (Max. 150)

Internal Quality Assurance Cell (IQAC) and Intellectual Property Rights (IPR) Cell have jointly organized a one-day Seminar on “Intellectual Property Rights (IPR) and Innovation” on 26.05.2022 held at A – Block, Seminar hall. The Seminar started with a welcome address given by Dr.N.Shani, Director, IQAC, NASC, followed by the Presidential address given by Dr.B.Anirudhan, Principal, NASC. Dr. M. Kantha Babu, Director, Centre for Intellectual Property Rights (CIPR), Professor and Head, Department of Manufacturing Engineering, College of Engineering, Guindy, Anna University, Chennai was the resource person. He explained the basic concepts of Intellectual Property Rights (IPR) and its related things. He created awareness about IPR among the faculty as well as students. He explained various intellectual properties and how to get rights for them. Among the property rights, he explained how to file, publish and grant a patent. Finally, the vote of thanks was given by Dr.K.Prathapchandran, Coordinator, IPR Cell, NASC.

Outcome of the Event:

The faculty, research scholars and students got exposure to Intellectual Property Rights (IPR). They also learned basic knowledge about various Intellectual Properties and how to get rights for them.

Write-up about the Event (Max. 150)

The perception about research has changed from mere publications in Scopus/SCI to filing a patent which leads to institutional and industrial tie-ups. Thus increases employability leading to self reliance. The resource person highlighted about filing a patent/copyrights/validity/publishing and granting a patent with many examples.

Outcome of the Event:

The attendees understood the importance of patent/royalty, validity, different forms, time required to publish, to get patented and agencies available for processing it. Also included lively examples like – Basmati Rice, Curcumin and patented synthetic products

Write-up about the Event (Max. 150)

Outcome of the Event :

School of Life Sciences, Department of Biotechnology., Nehru Arts and Science College, Coimbatore organised National Webinar on "Introduction to IPR" on 9th March 2022. Dr. P. Nirmala, Head, Dept. of Biotechnology, welcomed the gather. Dr. David Paul Raj R S, Associate Professor, Department of Biotechnology, Karunya Institute of Technology and Sciences, Coimbatore delivered the guest lecture. He delivered a talk on Intellectual property rights are the rights given to persons over the creations of their minds. They usually give the creator an exclusive right over the use of his/her creation for a certain period of time. Intellectual property protection is critical to fostering innovation. Without protection of ideas, businesses and individuals would not reap the full benefits of their inventions and would focus less on research and development. A total of 41 participants from I M.Sc. Biotechnology were actively participated and got enlightened. Dr. N. Saranya, Assistant Professor, Department of Biotechnology proposed the Vote of Thanks. The webinar was concluded with National Anthem.

Write-up about the Event (Max. 150 Words): Dr.S.Maruthamuthu is the Associate Professor of PSG Institute of Technology and Applied Research delivered a webinar on role of Aspire for research and IPR. He explained about the scientific method of research and the scope of pursuing research field. In the second session he explained different funding agencies available in India to pursue research on social innovation. Along with those information he explained about the different types of physics research domain like thin film technologies which will attract huge potential on solar panel manufacturing. The resource person covered the topics of Intellectual Property Rights and filing the Patents. The session was such an interactive and informative one for our students who wish to pursue research after their degree programs in electronics. In the Questionnaire session the resource person cleared all the doubts of students.

Outcome of the Event: Our students gained the knowledge and scope on research of various domains in Electronics.

REPORT

Name of School : School of Computational Sciences
Name of Department/Centre/Club : Department of Computer Applications
Name of Activity (Webinar/Conference/Workshop) : Webinar
Title of Programme : Intellectual Property Rights
Place / Venue : Online – Google Meet
Date : 31.12.2021
Name of Resource Person with Designation and Co address : Dr. J. Sandeep, Assistant Professor,
Department of Computer Science,
Christ University, Bangalore
Mail ID of the Resource Person : sandeep.j@christuniversity.in
Number of Beneficiaries :

	Internal	External
Students	100	
Faculty	15	
Total	115	

Write-up about the Event (Max. 150) :

School of Computational Sciences, Department of Computer Applications organized a webinar on "Intellectual Property Rights". Mr. S. Sheikh Mohamed Shalam, II BCA Student welcomed the gathering and gave the chief guest introduction. Dr. K. Selvavinayaki, Dean School of Computational Science presided over the function. Dr. J. Sandeep, Assistant Professor, Department of Computer Science, Christ University, Bengaluru was the resource person and he explained on what is intellectual property rights and the importance of it. He illustrated the history behind Intellectual Property Rights and discussed on the different acts under Intellectual Property Rights in India. He listed the possible scope of the Intellectual Property Law in India. He explained about the different types of intellectual property rights in India like patents, copyrights, trademarks, industrial design and geographical indication of goods. He also showed a live demo on how to register for IPR in the official IPR website in India.

Outcome of the Event: The students and faculties of the school of computational sciences got an awareness and idea on Intellectual Property Rights. The session was interactive and informative for both the faculty and students.
