Tribute to A Great Leader

In the field of professional higher education, the brand name 'Nehru Group of Institutions' evokes the memories of the founder Chairman Late P. K. Das. Starting from scratch in 1968, this great leader spent each ounce of his energy and sweated out to establish 16 prestigious Institutions in Tamil Nadu and Kerala. Through hard work, firm determination and strict self discipline, he established Nehru College of Aeronautics and Applied Sciences at Kuniamuthur, Coimbatore in 1968. Besides this College, he established four Engineering Colleges, Arts & Science College, Pharmacy College, Aviation Institute, Super Specialty Hospital, three Management Colleges in Tamil Nadu and Kerala. As a young academician, he started his career in 1968 at Coimbatore and the meteoric rise of this great personality in the field of technical and Higher Education was Phenomenal.

Despite innumerable difficulties and insurmountable obstacles, he forged ahead with firm determination to accomplish success after success. The flagship Institution namely Nehru College of Aeronautics & Applied Sciences has emerged as a unique Institution in this country. This College is the only one with so many specializations in

Aeronautical Maintenance Engineering. In the field of Applied Sciences, several branches for B. Sc. Degree Programme in Aeronautical Engineering, Electronics, Computer Science and Avionics and MBA in Air Line and Airport Management were started there. The quality maintained here speaks volumes about the professional temperament of Founder Chairman Late P. K. Das.

He added a golden feather to his cap, by starting the prestigious Nehru Arts and Science College in a new campus at Thirumalayampalayam. There are 2 Engineering Colleges and 3 Management Colleges at Thirumalayampalayam and Kaliapuram, on the outskirts of Coimbatore.

In another turn of the decade he started Nehru College of Engineering & Research Centre and later on Nehru College of Pharmacy at Pampady in Kerala and Jawaharlal College of Engineering and Technology the first Aeronautical Engineering College in 2008 at Lakkidi Palakkad District and later on Jawaharlal Aviation Institute in 2010. A Super Specialty Hospital named as P. K. Das Institute of Medical Sciences has been established at Vaniyamkulam in his fond memory, with all the facilities on par with world class hospitals. The efficient functioning and quality maintained in these Institutions are testimonies to his diligence and quality consciousness.

Though he left us, about 13 years back, his sons Adv. Dr. P. Krishnadas, the present Chairman and Managing Trustee and Dr. P. Krishnakumar, CEO & Secretary, Nehru Group of Institutions at Coimbatore have been groomed into successful Academicians and Administrators. The Chairman had foreseen the birth of a great University in the name of Nehru University.

The mighty and strength of our beloved Chairman are etched deeply in the Group's work culture and are eloquently evident from the functioning of these Institutions. He was a simple, noble and straight forward person, with aristocratic behavioural traits.

He was tall and handsome with commanding personality not only physically, but also intellectually and behaviorally. He has left a great void, which can never be filled. Though he has left us at an untimely moment, still his wishes, aspirations and blessings surround us and energize us. We see our beloved Chairman through his sons Adv. Dr. P. Krishnadas and Dr. P. Krishnakumar. Our Chairman was an industrialist on par with excellence. We shall remember him and his benevolence throughout our lives. We offer a thousand salutes to this Bhishmacharya of Higher Education.
