Write-up about the Event :

School of Management organised One Day Faculty Refresher Programme on “Outcome Based Education on Curriculum Planning and Development” on 23.04.2022. The objective of this Refresher Programme was to nurture the philosophy of Outcome Base Education (OBE) and to build the capacity of the young Faculty Members so as to facilitate its institutionalization in the Teaching-Learning System and other Academic Processes of the Institution. The participants were faculty members (09) of School of Management, NASC.

Outcome of the Event:

Outcome-based teaching not only does it adapt to a learner’s strengths and weaknesses, but also provides sufficient time to attain proficiency and fluency in the subject matter.

All the faculty members learned about Teaching-Learning Processes.

Write-up about the Event (Max.100 Words- 5 lines):

The Faculty Exchange Programme was organized under a MoU signed between Nehru Arts and Science College and Christ (Deemed to be University) Lavasa Campus Pune. The objective of the programme is to Conduct 30 hours Credit Transfer Value added Programme in Blended mode. Dr. J . Lekha, Associate Professor, Department of Data Science, Christ University was the Resource Person and handled the 15 hours session on "Introduction to NoSQL Databases".

Out Come of the Event (3 lines):

The Database domain was delivered to the students such as Installation, basic commands, executive procedure and Demonstration by integrating the applications.

Write-up about the Event :

School of Computational Sciences, Department of Computer Applications organized "Adjunct Professor Lecture of Advanced Python Programming for Machine Learning". The resource person was Mr. M. S. Vijayakumar, Software Developer, FORUS Technology, Coimbatore. Dr. K. Selvavinayaki, Dean, School of Computational Sciences welcomed the gathering and presided over the function. He started the session by explaining the importance of Python Programming in industry sector and he described the job opportunities available in different fields. He detailed the different machine learning algorithms like supervised, unsupervised and reinforcement. He also discussed the different environments available for executing Python programming IDEs like Python, Anaconda, Pyspark and Colab was introduced to the students for working with Python easily. He also explained how to work machine learning in python.

Outcome of the Event:

The students were actively participated and got an idea on the application of machine learning using python software.

Write-up about the Event:

A one-day training program on "The Corporate Discipline: Empowering Future Leaders" is organized by the Department of Computer Applications on 13.03.2023. This special initiative aims to provide students with the necessary knowledge and skills to succeed in the corporate world. The goal of this extensive program is to set participants up for success by giving them a strong foundation in professionalism, work discipline, and personal growth.

Out Come of the Event:

The Corporate Discipline: Empowering Future Leaders program equips students with the necessary skills, knowledge, and mindset to succeed in the corporate world. By emphasizing discipline, professionalism, and personal development, this special training program aims to mold students into well-rounded individuals ready to embrace challenges, lead with integrity, and contribute positively to their future organization.

Write-up about the Event (Max.100 Words- 5 lines):

The Department of Computer Applications organized seminar on “Next Generation Networks” on 07/10/2022. He explained about role of NGN in shaping the future of connectivity, emphasizing its impact on emerging technologies and latest advancements in communication infrastructure notably centred around 5G technology.

Outcome of the Event (3 lines):

Students actively participated and they explored the challenges and opportunities associated with implementing NGN.

Write-up about the Event (Max.100 Words- 5 lines):

The Department of Computer Application organises seminar on Social Media Awareness, on 20/07/2022. The students of I BCA A actively participated The Program mainly focused on the power, impact, and responsible usage of social media. In today's digital age, it is crucial to understand the potential consequences of our online actions and develop the necessary skills to navigate social media platforms with ethics, empathy, and social awareness.

Out Come of the Event (3 lines):

The Social Media Awareness Seminar provides students with the necessary knowledge and skills to navigate the complexities of the digital landscape responsibly. By raising awareness about the influence of social media, promoting digital citizenship, and addressing key issues such as cyber bullying and privacy.

Write-up about the Event:

The Department of Computer Applications has organised a Seminar "Data Engineering" on 15.07.2022. Mr. K. Prashanth, Programme Coordinator, Professors Academy & IT Services, Chennai was the Resource Person. He explained the benefits and drawbacks of data science and engineering, data engineering tools, end-to-end data pipelines as well as the significance of these fields which transfer data from source systems to destination systems using ETL tools.

Out Come of the Event:

Students were able to understand how to gather, arrange, and transform unprocessed data into information using data engineering tool ETL.

Write-up about the Event (Max.100 Words- 5 lines):

School of Computational Sciences, Department of Computer Applications organized a technical session on “Data Cloud”. He explained the concept of cloud computing that involves collecting, analyzing, and presenting data generated in a cloud environment so that it is easier to derive and share valuable insights to support everyday’s business decisions.

Outcome of the Event (3 lines):

Students showed keen interest and enriched their knowledge in data cloud through learning the concepts & methodologies. They gave satisfactory feedback at the end of the session.

Report of Events 2022-2023 (Odd Semester)

Name of the School and Department:	School of Computational Sciences, Department of Computer Applications	Nature of the Event: *	Skill Development
Title of the Event:	Adjunct Professor Lecture on “Data Mining Algorithms”	Metric Category: **	5.1.3
Place/Venue:	Seminar Hall	Date/Duration of the Event:	14.11.2022 / 3Hrs.

Details of the Resource Person: (if any): Dr. P. Sasikumar

Vivekananda College of Arts and Science College for Women,
Tiruchengode.

Number of Participants:

Internal		External		
Students	Faculty	Students	Faculty	Others
133		-	-	-

Write-up about the Event (Max.100 Words- 5 lines):

School of Computational Sciences, Department of Computer Applications organized Adjunct Professor Lecture on “Data Mining Algorithms”. He delivered more concepts on various data mining algorithms, including decision trees, clustering methods and highlighted the importance of algorithm selection based on specific data characteristics and goals.

Outcome of the Event (3 lines):

Students actively participated and they explored the challenges and opportunities associated with data mining techniques..

Handwritten signature and date 14/11/22

SCHOOL OF LIFE SCIENCES DEPARTMENT OF BIOTECHNOLOGY REPORT

Name of the School and Department:	School of Life Sciences	Nature of the Event: *	Workshop
Title of the Event:	Plant Tissue Culture Techniques	Metric Category: **	3.3.2
Place/Venue:	PG Lab, NASC, Coimbatore	Date/Duration of the Event:	28.11.2022 10.00 AM

Details of the Resource Person:

Dr. S. Vijayakumar, Director, VJ Biotech, Coimbatore

Dr. O. S. Nimmi, Assistant Professor, Biotechnology Department, NASC, Coimbatore

Dr. R. K. Selva Kesavan Assistant Professor, Biotechnology Department, NASC, Coimbatore

Number of Participants:

Internal		External		
Students	Faculty	Students	Faculty	Others
31	2	Nil	Nil	Nil

Write-up about the Event:

School of Life Sciences, Department of Biotechnology., Nehru Arts and Science College, Coimbatore organized Hands-on Training at PG Lab in "Plant Tissue Culture Techniques" on 28th November 2022. Dr. S. Vijayakumar, Director, VJ Biotech, Coimbatore gave a presentation on the different techniques that are involved in *in-vitro* culture of plants. The students were enlightened on the history and scope of Plant tissue culture. It is a method of plant breeding developed around the 1950s that could fulfil the required demand of crops. It makes use of parts of a plant to generate multiple copies of the plant in a very short duration. The technique exploits the property of totipotency of plant cell. The method offers an advantage over other methods as it can be used to develop disease free plants from disease-ridden plants by using their meristems (apical and axillary) as explants.

Dr. N. SARANYA
Associate Professor and Head
Department of Biotechnology
Nehru Arts and Science College
(Autonomous)
Thirumalayampalayam, Coimbatore-641 105.

NEHRU ARTS AND SCIENCE COLLEGE

(An Autonomous Institution affiliated to Bharathiar University)
(Reaccredited with "A" Grade by NAAC, ISO 9001:2015 & 14001:2004 Certified)
Recognized by UGC with 2(f) & 12(B), Under Star College Scheme by DBT, Govt. of India
Nehru Gardens, Thirumalayampalayam, Coimbatore - 641 105, Tamil Nadu.

Outcome of the Event :

The workshop helped the students to gain on various technical aspects of plant tissue culture. A suitable explant was selected and prepared for culture, and later incubated on an appropriate nutrient medium for growth and differentiation. The basic laboratory setup, handling of explants, nutrient medium and establishing the culture, and incubation of cultures was also elaborated and demonstrated in this study. It is a valuable tool for research on morphogenesis, cell signalling, physiology, and molecular biology, as well as crop improvement by biotechnology. The students understood the implications of plant tissue culture technology for the production of commercially important plants including food plants like tomato, banana, apple etc.

Write-up about the Event:

In connection with the commemorative day celebration on "World Cancer Day on 4th February" every year, the members of BioGen Association, Department of Biochemistry, School of Life Sciences, organized an Awareness campaign on World cancer Day – 2023 on 3.02.2023 at the College campus. Dr.M.Thangavel, Dean, School of Life Sciences participated in the campaign and clarified on the significance of the day. Staff members and Biochemistry students and other students actively participated in this event and gave awareness on Cancer and consequences of cancer diseases to the Audience and faculties of the College. They clearly explained the theme of the day "Close the care Gap" and elaborated on the symptoms and consequences of various types of cancer, preventive measures and medications to be taken to cure the disease. In addition to that they spread the theme of the commemorative day to the people by displaying posters and charts. Participants from various departments clarified their doubts and felt the significance of the day.

Outcome of the Event: Students and Faculties of the College participated in the event and got the awareness on Cancer Diseases and how to prevent it.

Write-up about the Event:

The resource person explained the research proposal and thesis writing in an effective way. He spoke about choosing the right topic before the start of research work and explaining the common challenges in knowing and understanding the research problems. He had discussed the components of a proposal and the theoretical and conceptual framework of research. He said literature review and research design are very important components in thesis writing. Then he elaborated on research methodology and how to do data collection and analysis. Finally, he highlighted the significance of the study, limitations, hypotheses, and citations. He also said to utilize the resources and shared some useful websites at the end of the session.

Outcome of the Event (3 lines):

The students and faculty were benefitted and understood the methodology and the challenges involved in doing research. The overall session was very informative and interactive.

Write-up about the Event:

The resource person explained about an overview of ethical hacking, its importance, key techniques, and ethical considerations. He elaborated the key techniques such as Vulnerability Scanning, Penetration Testing, Social Engineering Tests and Web Application Testing. He also explained about the career opportunities in the field of Ethical Hacking. He briefed about the various certifications in Ethical Hacking. He also explained about several types of hackers (White Hat Hackers, Black Hat Hackers, Gray Hat Hackers, Blue Hat hackers, Green Hat Hacker and Red Hat Hackers), each with different motivations, skills, and intentions.

Outcome of the Event:

The students understood the overview of ethical hacking, its importance, key techniques, ethical considerations, and career opportunities in the field. The overall session was very informative and interactive.

Report of Events 2022-2023 (Odd Semester)

Name of the School and Department:	School of Computational Sciences /Computer Science	Nature of the Event: *	Seminar
Title of the Event:	Seminar on Role of Block chain in IT Industry.	Metric Category: **	Employability
Place/Venue:	A Block Seminar Hall	Date/Duration of the Event:	14.09.2022

Details of the Resource Person: (if any) : Mr. M. Maharaj

Director,
JOSH Technologies, UAE

Number of Participants:

Internal		External		
Students	Faculty	Students	Faculty	Others
66	-	-	-	-

Write-up about the Event:

The resource Person **Mr. M. Maharaj** started the session by explaining what is Blockchain Technology, Evolution of Blockchain, Architecture and different types of blockchain and how blockchain is connected with other technologies such as IoT, Cyber Security and AI. He also discussed about future of blockchain in various IT industries with real time applications. He elaborated on concept of Hyper Ledger fabric to fight spam calls in India.

Out Come of the Event:

The seminar on role of Blockchain in Industry gives listeners a basic knowledge about blockchain evolution, architecture and career opportunities in IT industry. The overall session was very informative and interactive.

Internal Quality Assurance Cell Report of Events 2022-2023 (ODD Semester)

Name of the School and Department:	School of Computational Sciences- Department of Computer Science and Data Science	Nature of the Event: *	Seminar
Title of the Event:	Recent Trends in Networking	Metric Category: **	Employability
Place/Venue:	LAB III	Date/Duration of the Event:	24.10.2022/ Half day

Details of the Resource Person: Mr. S. Kalyanaraman, Managing Director, K2 Networks, CBE.

Number of Participants:

Internal		External		
Students	Faculty	Students	Faculty	Others
-	12	-	-	-

Write-up about the Event:

The session began with an introduction to Computer Networks, Components of Networks and Cloud Networking. Cloud Networking, which allows developers to connect many devices across a huge geographical area using cloud-based wireless networking systems hosted by third-party service providers. Also he demonstrated the working of OSI Reference Model with examples. Non-Teaching Staff, are actively participated in the session and interacted with the resource person. The session ends with presenting vote of thanks to all participants.

Outcome of the Event:

The session gives a concise knowledge of Cloud-based wireless networking systems. Participants understood about the network link devices such as Ethernet (Local Area Network), WLAN (Wi-Fi), or WAN (Wide Area Network). It helps to get more ideas about **Internet Protocols, OSI Reference Models, and Firewall Systems**. The overall session was very informative and interactive.

Internal Quality Assurance Cell Report of Events 2022-2023 (Even Semester)

Name of the School and Department:	School of Computational Sciences /Computer Science	Nature of the Event: *	Workshop
Title of the Event:	Workshop on Mobile App Development	Metric Category: **	Employability
Place/Venue:	Lab – III	Date/Duration of the Event:	15.02.2023

Details of the Resource Person: (if any): *Mr. Mohammed Salman Faris*, Android Developer ATS Technologies, Coimbatore -641105

Number of Participants:

Internal		External		
Students	Faculty	Students	Faculty	Others
58	-	-	-	-

Write-up about the Event:

The Resource Person started workshop with Introduction of Android and its fundamentals, Android Architecture Versions, Build a First Android Application, views and views groups with building blocks of Android. He demonstrated how to run android applications with android studio IDE interface and explained about the overall Android Studio Menus and Gradle. Students participated and gained knowledge on Android Application Development along with programming concepts. They interacted with the trainer and clarified their doubts.

Outcome of the Event:

The students gained skill on developing Mobile applications with Android Studio. The overall session was very informative and interactive.

Students	Faculty	Students	Faculty	Others
50	-	-	-	-

Write-up about the Event:

The resource person explained about an overview of ethical hacking, its importance, key techniques, and ethical considerations. He elaborated the key techniques such as Vulnerability Scanning, Penetration Testing, Social Engineering Tests and Web Application Testing. He also explained about the career opportunities in the field of Ethical Hacking. He briefed about the various certifications in Ethical Hacking. He also explained about several types of hackers (White Hat Hackers, Black Hat Hackers, Gray Hat Hackers, Blue Hat hackers, Green Hat Hacker and Red Hat Hackers), each with different motivations, skills, and intentions.

Outcome of the Event:

The students understood the overview of ethical hacking, its importance, key techniques, ethical considerations, and career opportunities in the field. The overall session was very informative and interactive.

Write-up about the Event:

The department has organized an Alumni guest lecture on "Placement Opportunities" in IT Sector. Dr. N. Kavitha, Associate Professor and Head welcomed the gathering. The Resource Person Mr. Muthu Kamesh has started the session with brief introduction about the various top IT industries. The Resource Person explained about recent technologies in the field of Computer Science. He explained the tips and techniques of interview such as Aptitude Test Preparation, Resume Preparation and Soft Skills required to get placed in good companies. Mrs. D. J. Anitha Merlin, Assistant Professor proposed the vote of thanks.

Out Come of the Event :

The students interacted with resource person by asking questions. The students got awareness on various IT companies and its opportunities. The overall session was very informative and interactive.

Name of the Activity : Alumni Guest lecturer on Equip Yourself

Place/Venue : D Block Seminar Hall

Date/Duration : 17.08.2022, 11.00 am

Name of the Resource Person : Mr. Jefrin.S

Details of Resource Person : AirconnectsFibernet, Coimbatore.

Name of the Convenor : Dr. M. Kanagarathinam

Number of Participants : Internal Student: 132Nos

Number of Beneficiaries : 132Nos

Write-up about the Event:

The School of Commerce organized an alumni guest lecture on the topic 'Equip Yourself' for II year students. Mr. Jefrin S. from AirconnectsFibernet, Coimbatore, served as the resource person. He discussed several traits that students can acquire to enhance their employability, including practical knowledge, sharpened communication skills, the habit of innovation, and regular reading of books and newspapers. He also emphasized the importance of pursuing online courses to hone their skills.

Out Come of the Event:

The students acquired knowledge that making themselves industry-ready is not just about acquiring the required skills but also involves working towards their progress.

Write-up about the Event:

The School of Commerce at Nehru Arts and Science College organized a guest lecture at D Block Lab 8 on September 12, 2022, specifically for third-year (III B.Com IT) students. The primary objective of the lecture on E-commerce and online marketplaces was to provide invaluable insights into the digital landscape. Exploring market trends, the speaker highlighted the significance of user experience, data analytics, and emerging technologies in shaping successful online businesses. Practical examples and strategies elucidated the dynamic nature of consumer behavior and the pivotal role of effective marketing in driving sales. The session concluded by emphasizing the need for adaptability and innovation in navigating the ever-evolving realm of E-commerce for sustainable growth.

Out Come of the Event:

The event's outcome included heightened awareness of the dynamic E-commerce landscape, empowering individuals to innovate and adapt to evolving market trends, ensuring competitive edge and growth in the digital marketplace.

Write-up about the Event:

The School of Commerce, Nehru Arts and Science College organized a Seminar at D Block Seminar Hall on 29th September, 2022, for I Year (I M Com FC, I B Com Banking, I B Com PA, I B Com and I B Com IT) students. "My Skill, My Future" event empowers students to shape their destinies. The insightful session equipped them with vital skills required for tomorrow's challenges. From honing technical abilities to fostering soft skills like communication and adaptability, this event ignites potential. Networking opportunities and career guidance pave the path toward fulfilling futures. Students were empowered and ready to navigate the ever-evolving landscape of possibilities, equipped with the tools to succeed and thrive in their chosen paths.

Out Come of the Event:

The event cultivates a proactive approach to learning, empowering students to explore diverse skill sets and envision future career paths.

Write-up about the Event:

The session was conducted for I, II, and III year students. This event's primary goal is to analyze the financial tools that experts can use to project and manage their business expenses. Gaining more knowledge about this method of budgeting might enable them to cut expenses and boost revenue.

Out Come of the Event:

The aim of the lecture is to provide the students with a better understanding of financial tools for projecting and managing business expenses. This will allow them to make more informed budgetary decisions and reduce costs while increasing revenue.

Event Description:

The Department of Criminology hosted a successful Guest Lecture, "Unlocking the Secrets of Crime," on November 22, 2022, for first-semester B.A. Criminology students. Dr. Shiva Prasad, with law enforcement experience, provided valuable insights, aiming to orient students to fundamental principles and real-world applications in criminology. The event effectively laid a foundation for students, enhancing their understanding and interest in the field.

Out Come of the Event:

The event built a strong foundation in criminology for first-semester B.A. students, aligning with their curriculum. Active participation fostered a dynamic learning environment, potentially inspiring further exploration and consideration of practical applications. It also increased awareness of diverse career paths in criminology.

The Department of Social Work has observed International Youth Day on 16.08.23 on the topic "Intergenerational solidarity: Creating a world for all ages".

Write-up about the Event:

Department of Social Work, School of Liberal Arts observed International Youth Day on 16.08.2022. The theme of International Youth Day 2022 is "Intergenerational solidarity: Creating a world for all ages". The theme focuses on ageism, an age-based discriminatory behaviour. The resource person shared how younger and older people all face this issue and often suffer lasting psychological harm which also impacts society at large. He also shared how Indian Families are been Affected by Drugs and what is the role of younger generation to eradicate drugs. This day was dedicated to the role young women and men play in bringing change in tackling global issues and achieving sustainable development. It also serves as an opportunity to raise awareness of challenges and problems facing the world's youth.

Out Come of the Event:

Students were able to understand how Indian Families get affected by the drugs and the role younger generation has got in the Society

SCHOOL OF COMMERCE REPORT

Name of the Event	: Symposium
Place/Venue	: School of Commerce, D Block Seminar Hall
Date/Duration	: 30.12.2022, 10.00 am to 12.30 pm
Name of the Resource person	: Dr.Perumalsamy R
Name of the Convener	: Ms. Kavitha.K
Number of Participants	: 132 Nos
Number of Beneficiaries	: 132 Nos

Write-up about the Event: The School of Commerce organized a symposium on 'Digital Marketing in Emerging Economies – A Paradigm Shift.' The resource person addressed students on various innovative ideas, providing an overview and emphasizing the significance of well-structured evolving technologies. As new opportunities and challenges continually arise for industry practitioners and academic researchers, people increasingly expose themselves to digital and social media. The resource person shared practical experiences in transforming businesses and explained ways to seize opportunities while addressing predictable challenges that emerge during stages ranging from business progression to acceleration.

Out Come of the Event: The event was very useful for encouraging students to explore ideas about probable situations that may arise during the business process. It emphasized raising basic awareness of digital marketing, which proven itself as a highly effective approach for businesses looking to thrive in the digital age.

The Department of Social Work has organized an Alumni Guest Lecture on 03.02.2023 for II MSW students on the topic scope of HR in IT field.

Write-up about the Event:

Department of Social Work, School of Liberal Arts organized Alumni Guest lecture on 03/02/2023. Mrs.Christy John, HR Analyst,HCL was the resource person. She is the pass out student of 2012. She explained in details what are the scope of HR in IT and in different field and how to grab the opportunity. She asked the students to utilize the fieldwork and internship provided and to develop the communication

Out Come of the Event:

The students raised various doubts on the role of HR and what are the areas to be concentrated in order to develop the personality. The students got an idea to select the specialization and the job opportunities available in India as well as abroad.

REPORT

Name of the Activity : Knowledge and awareness on Menstrual Hygiene Management
Place/Venue : NCM, Seminar Hall
Date/Duration : 24.02.23
Name of the Convenor : Ms.T.D.Lidya
Number of Participants : Internal: Students: 60 Staff: - External: -Nil
Number of Beneficiaries : 60 Nos

The Department of Social Work has organized an Awareness Programme on Menstrual Hygiene Management on 24.02.23

Write-up about the Event:

The Department of Social Work has organised **Knowledge and Awareness Program on Menstrual Hygiene Management**. The resource person addressed the gathering about the importance of menstrual hygiene during the menstrual period. It was insisted that Menstrual Health and Hygiene (MHH) is essential to the well-being and empowerment of women and adolescent girls. Main objective of the session was to educate girls and prevent absence to the schools, work places, daily activities, manage menstrual symptoms, precautions to dispose of sanitary napkins which encourages healthy disposal habits and protecting the environment

Out Come of the Event:

The students gained in depth knowledge about the menstrual cycle and the ways to handle stress during menstrual period.

Event Description:

The Department of Forensic Science hosted a Guest Lecture on 'The Future of Forensic Science' on January 13, 2023, featuring Dr. Jayesh K Joseph from the Kerala Police Academy. Aimed at first-semester B.Sc. Forensic Science students, the event introduced them to future innovations and emerging frontiers in the field. Expert speakers covered cutting-edge topics, providing foundational insights into the evolving landscape of Forensic Science.

Out Come of the Event:

The event boosted students' awareness of forensic science advancements, sparking increased interest and a dynamic learning environment. Integrating theory with practical insights enhanced the overall learning experience, potentially motivating students to develop essential skills for future roles in the field.

Event Description:

The Department of Forensic Science has conducted a Guest Lecture on 'Justice and Security in Critical Criminology' to our students on 07/04/2023. The main purpose of this event was to provide the students an idea about the prime motive, cause and commission of a crime by the offenders and how justice and security is served in critical criminology.

Outcome of the Event:

The participants of the event immersed themselves in a comprehensive exploration of critical criminology, delving into its fundamental principles and theoretical frameworks. The event provided a platform to discuss and propose reform strategies that address systemic issues within the justice and security systems.

Write-up about the Event:

The Adjunct Professor Series event on September 11, 2022, featuring Skill-Based Training in Creative Writing and workshop by the distinguished professor Dr. Shafeeq was a true literary revelation. His expertise and engaging delivery transformed the day into a journey of inspiration and creativity. His guidance was a beacon of inspiration, and the event, as a whole, was a literary feast that promises to leave a lasting impact on all who attended.

Outcome of the Event:

The students gained valuable insights on the fundamentals of creative writing, crafting narratives, character development, and engaging dialogues were not only enlightening but also provided practical tools for budding writers to refine their skills. Dr. Shafeeq's session not only deepened our appreciation for the art of storytelling but also left us with an enduring passion to explore the realms of creativity in the world of writing.
