#### Write-up about the Event:

The Adjunct Professor Series event on September 11, 2022, featuring Skill-Based Training in Creative Writing and workshop by the distinguished professor Dr. Shafeeq was a true literary revelation. His expertise and engaging delivery transformed the day into a journey of inspiration and creativity. His guidance was a beacon of inspiration, and the event, as a whole, was a literary feast that promises to leave a lasting impact on all who attended.

#### Outcome of the Event:

The students gained valuable insights on the fundamentals of creative writing, crafting narratives, character development, and engaging dialogues were not only enlightening but also provided practical tools for budding writers to refine their skills. Dr. Shafeeq's session not only deepened our appreciation for the art of storytelling but also left us with an enduring passion to explore the realms of creativity in the world of writing.

#### Write-up about the Event:

School of Computational Sciences, Department of Computer Applications organized “Skill Development Programme on 04.11.2022. English Training was a highly successful initiative that aimed to enhance the participants' English language skills. The programme focused on both spoken and written English, helping participants become more fluent and confident in their communication. The resource person was Mr. P. Sivakumar, Coimbatore. He covered various aspects of English language learning, including grammar, vocabulary, pronunciation, and comprehension. Participants were provided with practice materials, such as textbooks, audiovisual aids, and exercises that helped them hone their skills outside the classroom.

#### Outcome of the Event:

The program was an excellent investment for the participants personal and professional growth because the students actively participated and their increased fluency and confidence in using English were visible.
