CURRICULUM & SYLLABUS

EFFECTIVE FROM 2023-24

REGULATIONS

NEHRU ARTS AND SCIENCE COLLEGE (AUTONOMOUS)

REGULATIONS FOR POSTGRADUATE DEGREE COURSES

Choice Based Credit System blended with Outcome based Education Regulations with effect from the Academic Year 2022-2023

Definition

- a) Programme A course of study leading to the award of a degree in a discipline. (E.g.: M. Sc. / M. Com.)
- b) Branch Discipline of study (e.g. M.Sc. Microbiology)
- c) Curriculum The various courses (subjects) a student must study in a particular branch.
- d) Course The theory & practical subject offered under each curriculum.
- e) Credit A unit of measurement based on the duration of the contact hours, content and quality of the subject matter.

1. PG Curriculum

The PG Curriculum follows CBCS pattern and the medium of instruction is English.

2. Eligibility for Admission to the Course

A candidate who has passed the Degree Examination as main subject of study of this University or an examination of some other University accepted by the Syndicate as equivalent thereto shall be eligible for admission to the Master Degree of this College.

3. Duration of the Programme

This Course of Study shall be based on Semester System. This Course shall consist of four Semesters covering a total of two Academic years. For this purpose, each academic year shall be divided into two Semesters; the first and third Semesters; July to November and the second and the fourth Semesters; December to April. The Practical Examinations shall be conducted at the end of odd / even Semester. Each semester have 90 working days consists of 5 teaching hours per working day. Thus, each semester has 450 teaching hours and the whole programme has **1800 teaching hours**.

4. Choice Based Credit System (CBCS)

All Postgraduate Programmes offered by the University shall be under Choice Based Credit System (CBCS). Choice based credit system is introduced with the aim of offering flexibility in the choice of courses to the students.

Objectives of the Choice Based Credit System:

- To facilitate the students to have greater flexibility in their choice of courses.
- > To revamp the curriculum, to impart entrepreneurial skills and placement potentials qualities.
- > To incorporate need based knowledge in tune with the location and neighborhood of the institution.
- > To allocate credit points to each paper of the study based on the weightage of the contact hours, content and quality.
- > To extend opportunities to fast learners in order to earn Extra credit from advanced as well as additional courses.
- > To maintain the total credit points of each programme on par with international standards.

5. Outcome Based Education (OBE)

OBE is an **educational** theory that bases each part of an **educational** system around goals (**outcomes**). By the end of the **educational** experience, each student should have achieved the goal.

Objectives of Outcome based curriculum:

- ➤ The programme outcomes and Programme specific outcomes are clearly identified and unambiguously specified regarding the content, context and competence.
- ➤ The expected outcome should be defined by setting bench marks for each level of the programme. Benchmark should tackle and define specifically, the goals of the curriculum and verify ways to access whether the students have reached these goals at the level of study;
- ➤ OBE is driven by assessments that focus on well defined learning outcomes and not by other factors such as what is taught, the duration taken by the student to achieve the outcomes or which path the students take to achieve their targets. In OBE, assessment techniques must be with clear description of expected performance.

Definitions

Outcome: An outcome of an educational Programme is what the student should be able to do at the end of a Programme/ course/ instructional unit.

Levels of Outcomes

- ➤ Programme Outcomes: POs are statements that describe what the students graduating from any of the educational Programmes should be able to do.
- ➤ Programme Specific Outcomes: PSOs are statements that describe what the graduates of a specific educational Programme should be able to do.
- ➤ Course Outcomes: COs are statements that describe what students should be able to do at the end of a course

Learning Outcomes: It describes levels of achievement that can be attained across the domains of learning. Here **K1** representing Remember; **K2** -Understanding; **K3** - Apply; **K4** - Analyze; **K5**- Evaluate, **K6** – Create are used to measure the levels of achievement in learning.

6. CBCS Curriculum

6.1. Part A : Core Components:

Core Courses: Each programme has a group of core courses. The syllabus of the core courses will facilitate the students in the acquisition of the basic concepts of their respective disciplines, besides getting exposure to the recent developments. This exposure will suitably guide the students towards their vertical mobility in their higher studies. Core courses will last till the fourth semester. It is mandatory for all PG students to complete an online course under SWAYAM / NPTEL platform between 2nd and 3rd semester.

6.2. Part B: Optional Courses - Advanced Learner's Courses : (ALC)

Students are offered the opportunity to undertake optional papers, additional to their compulsory papers, in order to gain additional credit that would boost their grades. These are not mandatory. The course will be a self study nature and the concerned departments will offer guidance. Other Advanced Learner's Courses shall be decided during the conduct of Board of Studies. The Examination will be of Open Book Examination model.

7. Requirement to appear for the examinations

Attendance Requirements for the Students appearing for ESE

- The guidelines of attendance requirement issued by Bharathiar University are adopted by the College. Attendance shall be considered semester- wise (not annually).
- A candidate shall be permitted to appear for the Semester Examinations in any semester, if
 he / she secures not less than 75% of attendance in the total number of working days during
 the semester and if his / her progress has been satisfactory, and his / her conduct has been
 satisfactory.

- Those who have obtained below 75% and above 65% of attendance shall pay condonation fee and shall write the examination in the same semester with due permission from the Principal.
- Those who have below 65% and above 50% of attendance are not eligible to write the examination in current semester subjects but are permitted to continue their studies in the next semester provided that this is the first time that the candidate earned attendance between 50% and 65%. Else the candidates have to discontinue the course and re-join in the same semester subjects in the next year with proper approval of the Principal. However, the candidates are eligible to write arrear subjects if any.
- Those who have below 50% of attendance have to redo the semester.

8. Restrictions to appear for the examinations

- a) Any candidate having arrear paper(s) shall have the option to appear in any arrear paper along with the regular semester papers.
- b) Candidates who fail in any of the course of PG degree examinations shall complete the course concerned within 5 years from the date of admission to the said programme, and if they fail to do so, they shall take the examination in the texts / revised syllabus prescribed for the immediate next batch of candidates. If there is no change in the texts / syllabus they shall appear for the examination in that course with the syllabus in vogue until there is a change in the texts or syllabus. In the event of removal of that course consequent to change of regulation and / or curriculum after 5 year period, the candidates shall have to take up an equivalent course in the revised syllabus as suggested by the Chairman of the concerned board of studies and fulfill the requirements as per the regulation curriculum for the award of the degree.

9. Medium of Instruction and examinations

The medium of Instruction and the medium of Examination is English.

10. Distribution

The following are the distribution of marks for examination & evaluation pattern. Distribution of Marks between End Semester Exam (Theory) and Internal Assessment is 75:25. The following table gives the distribution.

PG - PROGRAMMES (CBCS)

Table 16: Total credit points and tenure of study for M.A., M.Com, M. Sc. and MSW

Part	Courses	Semesters	Credit Points	Marks / Grade
	Components			
III	Core / Electives / Internship / Project /	I to IV	94	2350
	Online course			

11. Additional Credits

Students are given the opportunity to undertake optional papers, additional to their compulsory papers, in order to gain additional credit that would boost their grades. These are not mandatory. Students can earn to a maximum of 15 credits.

S. No.	Subject	Credit / Course	Total Credits
1.	Presentation of Research papers in International Conferences	1	1
2.	Publication of Research Papers in reputed Journals	1	1
3.	Advanced Learners Course	2	4
4.	MOOC Courses / Swayam prescribed by the Departments	2	4
5.	Visits Abroad for Participation in International Academics events	1	1
6.	Representation - Sports / Social Activities / Co curricular / Extracurricular Activities at University / District / State / National / International levels	1	2
7.	Swachh Bharath Summer Internship Programme	2	2
		Total	15

12. Continuous Internal Assessment (CIA)

Three CIA's shall be conducted at regular Intervals. CIA I and II shall be a 2 hours written test for a maximum of 50 marks each and CIA III shall be conducted as Model Examination for ESE.

13. OBE Evaluation - Assignment / Seminar / Role play, etc.

Three OBE Assessment parameters are decided for each course to evaluate the achievement of course outcomes which shall be assessed by the concerned course teacher. The marks allotted to this component will be awarded based on the performance of the candidate. The Rubrics for awarding the marks shall be maintained by the Course Teacher concerned.

14. Distribution of Marks

Table 17: Distribution of marks for External and Internal for theory papers of PG courses

Table 24: Distribution of marks for the External Examination in PG Project / Industrial Training courses

S. No.	. No. For - PG Project courses		Distributio	on of Mark	S
1.	Record Work and Presentation	100	80	60	40
2.	Viva Voce	50	40	30	20
	TOTAL MARKS	150	120	90	60

15. Passing Minimum:

A candidate who secures **not less than 50%** in the End Semester Examination and 50% marks in the External examination and Continuous Internal Assessment put together in any courses shall be declared to have passed the examination in the subject (Theory and Practical). Thus the minimum pass mark is 38 out of 75 in ESE and 50 marks out of 100 (CIA+ESE).

A candidate who passes the examination in all the courses shall be declared to have passed, the whole examination. Thus to obtain PG degree, a student should pass in all the courses prescribed in the concerned programme and also he / she should earn 94 credits.

16. Grade:

Table 25: Classification of Grade for PG Students based on the Percentage of marks

Range of Marks	Grade Point	Letter Grade	Description
90 – 100	9.0 - 10.0	О	OUTSTANDING
80 – 89	8.0 - 8.9	D+	EXCELLENT
75 – 79	7.5 – 7.9	D	DISTINCTION
70 – 74	7.0 - 7.4	A+	VERY GOOD
60 – 69	6.0 – 6.9	A	GOOD
50 – 59	5.0 - 5.9	В	AVERAGE
00 – 49	0.0	С	RE-APPEAR
ABSENT	0.0	AA	ABSENT

17. Grade Point Average (GPA)

Grade point average (GPA) is calculated for each part taking into account all the courses studied. Calculation of grade point average semester-wise and part-wise is as follows:

 $GPA = \frac{Sum \text{ of the multiplica tion of grade points by the credits of the courses}}{Sum \text{ of the credits of the courses in a semester}}$

$$\mathbf{GPA} = \frac{\sum_{i} (\mathbf{C}_{i} * \mathbf{G}_{i})}{\sum_{i} \mathbf{C}_{i}}$$

Where C_i = Credit earned for course i in any semester.

 G_i = Grade points obtained for course i in any semester.

18. Cumulative Grade Point Average (CGPA)

For the entire program CGPA is calculated in the following manner.

$$\mathbf{CGPA} = \frac{\sum_{n} \sum_{i} C_{ni} * G_{ni}}{\sum_{n} \sum_{i} C_{ni}}$$

19. Classification of CGPA

A candidate who has passed all the examinations under different parts is eligible for the following part wise computed final grades based on the range of CGPA.

Table 26: Classification of performance of PG Students based on the Cumulative Grade

Points Average

CGPA	Grade	Classification of Final Result
9.5 – 10.0	O+	Eight Class Examples *
9.0 and above but below 9.5	О	First Class – Exemplary *
8.5 and above but below 9.0	D++	
8.0 and above but below 8.5	D+	First Class with Distinction*
7.5 and above but below 8.0	D	
7.0 and above but below 7.5	A++	
6.5 and above but below 7.0	A+	First Class
6.0 and above but below 6.5	A	
5.5 and above but below 6.0	B+	Second Class
5.0 and above but below 5.5	В	Second Class

- a) A candidate who has passed all the subjects examinations in the first appearance within the prescribed duration of the PG programmes and secured a CGPA of 9 to 10 and equivalent grades "O" or "O+" in Core and Electives subjects shall be placed in the category of "First Class Exemplary".
- b) A candidate who has passed all the subjects examinations in the first appearance within the prescribed duration of the PG programmes and secured a CGPA of 7.5 to 9 and equivalent grades "D" or "D+" or "D++" in Core and Electives subjects shall be placed in the category of "First Class with Distinction".
- c) A candidate who has passed all the subjects examinations of the PG programmes and secured a CGPA of 6 to 7.5 and equivalent grades "A" or "A+" or "A++" shall be declared to have passed in "First Class".
- d) A candidate who has passed all the subjects examination of the PG programmes and secured a CGPA of 5.0 to 6 and equivalent grades "B" or "B+" shall be declared to have passed in "Second Class".

20. Ranking

A candidate who qualifies for the PG Degree programme passing all the Examinations in the first attempt, within the minimum period prescribed for the programme from the date of admission to the programme and secures First or Second Class shall be eligible for ranking and such ranking will be confined to 10% of the total number of candidates qualified in that particular subject to a maximum of 10 ranks. However the Programmes will be considered for ranking only when there are minimum of 10 students completing that Programme. The improved marks will not be taken into consideration for ranking.

21. Improvement of Marks in the subjects already passed

Candidates desirous of improving the marks awarded in a passed subject in their first attempt shall reappear in the subsequent semester only. The improved marks shall be considered for classification but not for ranking. When there is no improvement, there shall not be any change in the original marks already awarded.

22. Conferment of the Degree

No candidate shall be eligible for conferment of the Degree unless he / she has undergone the prescribed programme of Study for a period of not less than four Semesters in the Institution or has been exempted there from in the manner prescribed and has passed the Examinations as have been prescribed.

23. Question Paper Pattern

A: Question Paper Pattern

Time: 3 Hours Max Marks: 75

Knowledge Level	Q. No.	Section	Marks	Description
K1, K2, K3	1 – 10	A(Answer all the questions)	$10 \times 1 = 10$	MCQ
K2, K3	11 – 15	B (Either or pattern)	5 x 5 = 25	Short Answers
K3, K4	16 – 21	C (Answer 3 out of 6)	3 x 10 = 30	Descriptive/ Detailed
K4, K5	22	D (Compulsory Question)	1 x 10= 10	Application Based/ HOTS

B. Question Paper Pattern

Time: 3 Hours Max Marks: 55

Knowledge Level Q. No.		Section	Marks	Description
K1, K2, K3	1 – 10	A(Answer all the questions)	10 x 1 = 10	MCQ
K2, K3	11 – 15	B (Either or pattern)	5 x 4 = 20	Short Answers
K3, K4	16 – 21	C (Answer 3 out of 6)	3 x 6 = 18	Descriptive/ Detailed
K4, K5	22	D (Compulsory Question)	1 x 7 = 7	Application Based/ HOTS

C. Question Paper Pattern –Advanced Learners Course

Time: 3 Hours Max Marks: 50

Knowledge Level	Q. No.	Section	Marks	Description
K2, K3	1 – 5	A (Answer all the Questions)	$5\times 4=20$	Short Answers
K3, K4	6 – 10	B (Either or pattern)	$5 \times 6 = 30$	Descriptive/ Detailed

NOTE: The questions should be numbered continuously running through the Sections A, B and C.

Questions should be evenly distributed among the unit in the syllabus in all the sections of the question paper. While framing questions with internal choice the questions must be identified as (a) or (b). (e.g. 11. a or b). Further, the internal choice must be from the same unit.

The Controller of the Examinations shall arrange for the setting of question papers on the basis the syllabus and the pattern of question paper duly certified by the Chairpersons of the respective Board of Studies.

24. Revision of Regulations and Curriculum

The above Regulation and Scheme of Examinations will be in vogue without any change for a minimum period of three years from the date of approval of the Regulations. The Board may revise / amend / change the Regulations and Scheme of Examinations, if found necessary.

6666666

CURRICULUM

Department of Commerce - M.Com (FC)

Vision Statement of the Department.

Is "to develop professionalism in trade and commerce to meet the emerging global trends"

Mission Statement of the Department

Is to

- Impart skills to understand and analyze global trends
- Develop the skills to tap opportunities
- Imbibe the potentials to meet the global challenges
- Impart the needed skills to attain professionalism

Program Educational Objectives (PEOs)

After 3 years of the Programme, the graduates are expected to attain

PEO1	Able to pursue higher education in their core areas of Commerce / Management / Social Science / professional course like CA, CMA or CS
PEO2	Develop professional skills in all functions areas of Commerce and Management
PEO3	Exhibit team spirits; skills and values to learn and adapt to change throughout their professional career
PEO4	Become the full-fledged Accounting and Finance professional
PEO5	Demonstrate professional expertise in financial planning, analysis, control, decision support and professional ethics with the employees

Programme Specific Outcomes (PSOs)

After the successful completion of the Programme, the students are expected to

PSO1	To become Corporate Secretary
PSO2	Able to become Auditor
PSO3	To become Entrepreneur
PSO4	Enable to become Tax Consultant
PSO5	To become Financial Analyst

Programme Outcomes (POs)

On Successful completion of the Programme, the graduates will have

PO1	Critical Thinking	Analyze complex problems critically, conceptualise and solve real time problems, develop and evaluate a wide range of potential solutions for those problems and arrive at feasible, optimal solutions after considering public health, safety, cultural, societal and environmental factors in the core areas of expertise.
-----	-------------------	--

PO2	Research Skill	Extract information pertinent to unfamiliar problems through literature survey and experiments, able to apply Research Intelligence in investigations and
		innovations.
PO3	Usage of Technology	Able to use the techniques, skills and modern tools to analyze critically, carry out safe and economical design, conduct experiments and interpret investigations to solve problems.
PO4	Effective Communication	Communicate with the society at large, regarding complex activities confidently and effectively and being able to comprehend and write effective reports and design documentation by adhering to appropriate standards and make effective presentations.
PO5	Individual and Team Work	Possess knowledge and understanding of group dynamics, recognise opportunities and contribute positively to collaborative-multidisciplinary domains, demonstrate a capacity for self-management and teamwork, decision-making, objectivity and rational analysis in order to achieve common goals.
PO6	Project Management	Demonstrate knowledge and understanding of management principles and apply to manage projects efficiently in respective disciplines and multidisciplinary environments after consideration of economic and financial factors.
PO7	Ethics and Values	Acquire professional and intellectual integrity, professional code of conduct, ethics of research and scholarship, consideration of the impact of research outcomes on professional practices and an understanding of responsibility to contribute to the community for sustainable development of society.
PO8	Life Long Learning	Engage in lifelong learning and work on career enhancement and adapt to changing personal, professional and societal needs.

Course Code		Course Title	
22PGCFV401	Pr	oject Work and Viva	Voce
Semester: IV	Credit: 8	CIA: 100 Marks	ESE: 100 Marks

Instructional Hours: 150

Course Objective: The primary objective of project is to provide an opportunity to our students to make an intensive study of practical aspects of functional and technical areas of management viz., Marketing Management, Financial Management, Human Resource Management, Banking, Insurance and application of software in their domine areas. So on to sharpen their conceptual, analytical and problem solving skills.

Project Period: The undergo their project work during the sixth semester and submit at the end of the semester

Guidelines

- 1. A Guide has been allotted to each student by the department. Student can select any topic in discussion with the supervisor. Students should maintain a work diary were in weekly work carried out has to be written. Guide should review the work every week and put his/her signature. The work diary along with project report should be submitted at the time of viva voce.
- 2. **CIA Marks Distribution**: A minimum of two reviews have to be done, one at the time finalizing the questionnaire/identifying the primary data and the second review at the time of commencement of report writing. They should be asked to present the work done to the respective guide in the two reviews. The guide will give the marks for CIA as per the norms stated below:

Review – I	20 Marks
Review – II	20 Marks
Review – III	20 Marks
Document, Preparation and implementation	20 Marks
Research Paper publication in Journals	20 Marks
Total	100 Marks

3. **End Semester Examination**: The evaluation for the end semester examination should be as per the norms given below:

Record Work and Presentation	60 Marks
Viva-Voce Examination	40 Marks
Total	100 Marks

4. General Format for Project Report

The final stage of work consists of the

1. Title Page

- 2. Certificate by Institution
- 3. Acknowledgement
- 4. Declaration
- 5. Table of contents
- 6. List of table and charts
- 7. Bibliography
- 8. Abbreviation
- 9. Appendix
- 10. Questionnaire / Coding
- **5. Template for Non Computer Project:** The following structure of project work should be followed to maintain the uniformity in preparation and presentation
 - a) <u>Chapter1–Introduction:</u> In this chapter Introduction about the project, historical background, Objectives, Hypothesis (if applicable), Statement of the problem, Research methology and Chapter scheme.
 - b) <u>Chapter 2-Literature Review</u>: This chapter will provide information about studies done on the respective issue. This would assists students to undertake further study on same issue.
 - c) <u>Chapter 3–Theoritical Aspects</u>: The Theoritical aspects of the project
 - d) <u>Chapter 4-DataPresentation and Data Analysis</u> This chapter is the core part of the study. The analysis pertaining to collected data will be done by the students. The application of selected tools or techniques will be used to arrive at findings. In this table of information, presentation of graph etc can be should be provided by the students.
 - e) <u>Chapter 5- Conclusion</u> In this unit of project work findings of work will be covered by the candidate and suggestion will be mentioned by the candidate to validate the objectives and hypotheses.

If required more chapters of data analysis can be added.

6. **TypingInstruction**

Paper: $8^{1/2} * 11$ inches in size i.e A4 Size paper. Only one side of the sheet should be typed

Margin: The left side margin should not be less than $1^{1/2}$ inches (or 40mm) the right, top and Bottom Margin one inch (or 25mm)

Font: Times New Roman, subject matter -12 font size in running format, Heading and Section headings should be capitalized – 14 font size.

Headings and Titles: Heading and Section headings should be capitalized and centered—14 font size with Bold. Subdivision headings should be typed from the left hand margin sentence case -12 font size with Bold. Paragraphs should be indented seven space for pica type and nine for elite type Tables, Graphs and Diagrams: The table number (eg, TABLE 1.5) typed in capitals, should be separated from the text by two or three spaces. If an explanatory note to a time is necessary, an asterisk should be used. The note should be placed immediately below the table.

Line Spacing: The text of the thesis should be <u>1.5 line spacing.</u> Pagination: Pages of the text are numbered continuously in Arabic numerals.

Foot note: Footnote citation is indicated by placing an index number i.e. a superscript or numeral. The superscript numeral must appear at the top of the line both in the text and in a footnote. Footnote are single spaced, with double spacing between two consecutive citations. Footnote are numbered consecutively within each chapter or throughout the entire repor.

Basic Format: Author's name, title of the work, Place of publication: Publisher's name, year, Page no,(s). Note of punctuations. Page number to be preceded by "p" if single or "pp". if two or more pages. Title to be underlined. **For eg** Drucker¹ lays great stress on the concept of self control. Control, according to him means "the ability to direct one-self and on's work" on the basis of the objective ¹

Bibliography: The format for bibliographical listing for books, reports, articles are same for footnote also. Books and articles can be arranged either chronological order or year wise.

For citing Books: Mann, R.S Social Change and Social Research, New Delhi: Concept Publishing Company, 1988, .27

Publication of Government and Public Organisation: Government of India, India 1986: A Reference Annual, New Delhi: Publication Division, 1987, p.127

Quoting from Secondary Sources: Gand, William. S., "Foreign Aid: What it is; how it works; why we provide it", Department of State Bulletin, 59, No.1537, 1958, quoted in Todaro, Michael p, Economic Development in the Third world, New York, Longman, 1981, p.40.

Citing Journal: Goel Ranjan, "Achievement through Human Engineering", Indian Management, 28, No.8, July, 1988, pp.14-16.

Citing Thesis or Dissertation: Pandey, Subrata, A study of organizational and Individual Characteristics in R & D Organisaitons, unpublished Ph. D Thesis, Bangalore: Indian Institute of Science, 1986.

For Citing Seminar Paper: Krishnaswami O.R., "Towards Excellence in Cooperative Management" (Paper Presented at a Seminar on "Excellence in Management, Cooperative Training College, Bangalore, July 1989)
